

# International Rough Set Society

## VISION STATEMENT

by Duoqian Miao

### Candidate for IRSS Vice President

**Duoqian Miao** works as Professor at Department of Computer Science and Technology, Tongji University, Shanghai, China.

He is an IRSS Fellow, the Chair of IRSS Advisory Committee (2016-now), He served as the Chair of IRSS Steering Committee (2014-2016). He takes an active part in the organization of IJCRS every year and undertakes the reviewing submissions of the conference. He gave several Keynote Speeches on the conference, for example, RSKT 2014, IJCRS 2015. At the invitation of International Journal of Approximation Reasoning, as guest editor, I and Professor Yiyu Yao are publishing a special issue entitled granular computing and three-way decision theory.

He serves the Chair of Rough Set and Soft Computing Society of Chinese Association for Artificial Intelligence (2012-now, more than 1000 members), and the Vice President of Shanghai Artificial Intelligence Society (2017-now). He organizes one Chinese National Conference on Rough Sets (more than 500 attendees) and several seminars or workshops every year.

### Vision Statement

If I'm elected IRSS Vice President, I will devote my substantial energy and passion to my responsibilities and work closely with other leaders and members of the IRSS.

According to the Bylaws of IRSS, I will try my best to do the following and push IRSS to get better and better.

- (1) assisting President in preparing reports;
- (2) receiving proposals for IRSS sponsored events;

- (3) searching for organizers of next IJCRS conferences;
- (4) assisting Editor in gathering contents about IRSS sponsored events;
- (5) managing IRSS election process.
